# THE FUTURE OF WAR

## Guest Speaker

Professor James W. Davis, Ph.D.  
Director of the Institute for Political Science at the University of St. Gallen (IPW-HSG) and Professor for Political Science with special focus on international politics;  
Dean of the School of Economics and Political Science and Chair of the Center for Security Economics and Technology (CSET-IPW-HSG).

Prof. Davis is currently the director of the Institute for Political Science at the University of St. Gallen (IPW-HSG) and Professor for Political Science with a special focus on international politics. He also currently serves as the Dean of the School of Economics and Political Science and chairs the Centre for Security Economics and Technology (CSET-IPW-HSG).

Prof. Davis has not only substantially contributed to the discipline of IR in terms of service and research. In recent years he has also become an active contributor to public debates and an active advisor on current and future challenges (e.g. as a member of the expert committee of the Federal Chancellor's Dialogue on the Future). His primary fields of interest include international security, methods of political science, political psychology, and transatlantic relations.

Prof. James Davis will speak on 'The Future of War' and provide an opportunity for a Q&A following the presentation.
