Stakeholder Workshop

Achieving a Just Transition to a Sustainable Economy:
Challenges and Opportunities from a Multi-Stakeholder Perspective

The Workshop aims at creating a platform for dialogue between academics, public administrators and the private sector at large with a view to identifying the key challenges and opportunities facing States, investors and other stakeholders in transitioning to a sustainable economy. Key insights will inform the work of the ILA Committee on Sustainable Natural Resources Management and the drafting of its Guidelines. Participation in the Workshop is free of charge but registration is mandatory.
